The Dragon's Choice-Jessie Donovan 2020-02-27 After Jose Santos's younger sister secretly enters them both into the yearly dragon lottery and they get selected, he begrudgingly agrees to participate. It means picking a human female from a giant room full of them and staying around just long enough to get her pregnant. However, when his dragon notices one female who keeps hiding behind a book, Jose has a new plan—win his fated mate, no matter what it takes. Victoria Lewis prefers being home with a book and away from large crowds. But she desperately wants to study dragon-shifters at close range, so she musters up her courage to enter the dragon lottery. When she's selected as one of the potential candidates, she decides to accept her spot. After all, it's not as if the dragon-shifter will pick her—an introverted bookworm who prefers jeans and sweats to skirts or fancy clothes. Well, until he's standing right in front of her with flashing eyes and says he wants her. As Jose tries to win his fated female, trouble stirs inside his clan. Will he be able to keep his mate with him forever? Or will the American Department of Dragon Affairs whisk her away to some other clan to protect her? NOTE: This is a quick, steamy standalone story about fated mates and sexy dragon-shifters near Lake Tahoe in the USA. You don't have to read all my other dragon books to enjoy this one!

Legacy-Nora Roberts 2021-05-25 #1 New York Times bestselling author Nora Roberts presents Legacy, a new novel of a mother and a daughter, of ambition and romance, and of a traumatic past reawakened by a terrifying threat... Adrian Rizzo was seven when she met her father for the first time. That was the day he nearly killed her—before her mother, Lina, stepped in. Soon after, Adrian was dropped off at her grandparents' house in Maryland, where she spent a long summer drinking lemonade, playing with dogs, making a new best friend—and developing the stirrings of a crush on her friend's ten-year-old brother. Lina, meanwhile, traveled the country promoting her fitness brand and turning it into a billion-dollar business. There was no point in dwelling on the past. A decade later, Adrian has created her own line of yoga and workout videos, following in Lina's footsteps but intent on maintaining creative control. And she's just as cool-headed and ambitious as her mother. They aren't close, but they're cordial—as long as neither crosses the other. But while Lina dismisses the death threats that Adrian starts getting as a routine part of her daughter's growing celebrity, Adrian can't help but find the vicious threats unsettling. Year after year, they keep arriving—the postmarks changing, but the menacing tone the same. They continue after she returns to Maryland and becomes reacquainted with Raylan, her childhood crush, all grown up and as gorgeously green-eyed as ever. Sometimes it even seems like the terrifying messages are indeed routine, like nothing will come of them. Until the murders start, and the escalation begins...

Sole Possession-Bryn Donovan 2012-10-15 After David Girard inherits his family's creepy old estate—a place that holds only tragic memories for him—he wants nothing to do with it. The sooner it's out of his possession, the better, so he hires Andi Petrowski to fix it up for a quick sale. He's immediately drawn to the feisty contractor, but he fears his father's cruel legacy will ruin everything. The moment Andi enters the Girard mansion, she's haunted by disturbing visions. She tries to brush them off, but her attraction to David isn't as easy to ignore. Their relationship soon crosses the line from professional to personal, despite his guarded nature and warnings about his dark past. When the dreams and visions intensify into very real violence, David and Andi are desperate to uncover the evil threatening to possess him. Could Andi's gifts be the key to uncovering the darkness within David? And will he be strong enough to break the family curse and protect the woman he loves? 86,000 words

Ungifted-Gordon Korman 2014-02 Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students. Donovan is definitely skilled and when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: Scholastically Distinctive. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD - and fit in with the kids there. And who knows, maybe his real gift will come to light... . A new story from the master of middle-grade and YA humour Gordon Korman, Ungifted is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

Donovan-Elmer Kelton 2003-11-17 Donovan was supposed to be dead. The town of Dry Fork, southern Texas, had buried him years before when Uncle Joe Vickers had fired off both barrels of a shotgun into the vicious outlaw's face as he was escaping from jail. Now, Uncle Joe has been shot-in just the same way. And Judge Upshaw had found a noseless hanging on his door. It looked as though Donovan was back-gunning for the people who had tracked him down and tried him. Sheriff Webb Matlock, a stern, quiet man, had more than one reason to find Donovan; Matlock was in love with the woman he had believed to be Donovan's widow; moreover, there were rumors that his hotheaded younger brother, Sandy, had joined up with Donovan's gang. For his own peace of mind, and to protect the townspeople who had been threatened, Matlock decided to slip across the border, find Donovan in his Mexican hideout, and bring him back-or kill him. Self, World, and Time-Oliver O'Donovan 2013-06-11 Self, World, and Time takes up the question of the form and matter of Christian ethics as an intellectual discipline. What is it about? How does Christian ethics relate to the humanities, especially philosophy, theology, and behavioral studies? How does its shape correspond to the shape of practical reason? In what way does it participate in the proclamation of the gospel of Jesus Christ? Oliver O'Donovan discusses ethics with self, world, and time as foundation poles of moral reasoning, and with faith, love, and hope as the virtues anchoring the moral life. Blending biblical, historicoco-theological, and

contemporary ideas in its comprehensive survey, Self, World, and Time is an exploratory study that adds significantly to O’Donovan’s previous theoretical reflections on Christian ethics.

The Blood of Heroes—James Donovan 2012-05-15 On February 23, 1836, a large Mexican army led by dictator Santa Anna reached San Antonio and laid siege to about 175 Texas rebels holed up in the Alamo. The Texans refused to surrender for nearly two weeks until almost 2,000 Mexican troops unleashed a final assault. The defenders fought valiantly for their lives and for a free and independent Texas—but in the end, they were all slaughtered. Their ultimate sacrifice inspired the rallying cry “Remember the Alamo!” and eventual triumph. Exhaustively researched, and drawing upon fresh primary sources in U.S. and Mexican archives, THE BLOOD OF HEROES is the definitive account of this epic battle. Populated by larger-than-life characters—including Davy Crockett, James Bowie, William Barret Travis—this is a stirring story of audacity, valor, and redemption.

Donovan—Jillian Quinn 2017-05-24 As the starting goaltender for the Philadelphia Flyers, Carter Donovan has the toughest position on the team. Two Kingdoms and Two Cities—Robert C. Crouse 2017-07-15 The recent emergence of “two kingdoms” and “two cities” approaches to Christian social thinking are shown to have a key—and often unacknowledged—connection to Luther’s reshaping of the Augustinian paradigm. The project works for a better understanding of Luther’s own thought to help understand the convergences and divergences of Christian political theology in the twentieth century and today. In particular, Luther’s two-kingdom thinking issued forth in a strong distinction of law and gospel that was also worked out in twofold pairs of Israel and church, general and special revelation, creation and redemption, and especially the outward and inward life. The work traces this legacy through acceptance and modification by Niebuhr and Bonhoeffer, Lutheran and Catholic neoconservatives, Reformed two-kingdom proponents, Augustinian liberals, and finally Oliver O’Donovan. The conclusion reflects on both the historical narrative and its connection to an account of modern liberalism, as well as a theological reflection on hermeneutical decisions of the “twoness” of Christian theology.

Chronicles in Stone—Victoria Donovan 2019-11-15 Chronicles in Stone is a study of the powerful and pervasive myth of the Russian Northwest, its role in forming Soviet and Russian identities, and its impact on local communities. Combining detailed archival research, participant observation and oral history work, it explores the transformation of three northwestern Russian towns from provincial backwaters into the symbolic homelands of the Soviet and Russian nations. The book’s central argument is that the Soviet state exploited the cultural heritage of the Northwest to craft patriotic narratives of the people’s genius, heroism and strength that could bind the nation together after 1945. Through sustained engagement with local voices, it reveals the ways these narratives were internalized, revised, and resisted by the communities living in the region. Donovan provides an alternative lens through which to view the rise of Russian patriotic consciousness in the twentieth and twenty-first centuries, adding a valuable regional dimension to our knowledge of Russian nation building and identity politics.

The Just War Revisited—Oliver O’Donovan 2003-10-16 Leading political theologian Oliver O’Donovan takes a fresh look at some traditional moral arguments about war. Christians differ widely on this issue. The book re-examines questions of contemporary urgency, including the use of biological and nuclear weapons, military intervention, economic sanctions, and the role of the UN. It opens with a challenging dedication to the new Archbishop of Canterbury and proceeds to shed light on vital topics with which that Archbishop and others will be very directly engaged. It should be read by anyone concerned with the ethics of warfare.

CIA and the Pursuit of Security—Dylan Huw Dylan 2020-06-18 Since its creation in 1947, the CIA has been at the heart of America’s security apparatus. Written by intelligence scholars and experts, The CIA and the Pursuit of Security offers the reader a lively survey of the CIA past and present. The history of the agency is presented through the prism of its declassified documents, with each being supplemented by insightful contextual analysis. The book chronicles the evolution of the CIA, its remarkable successes, clandestine operations, and its ongoing struggle to maintain American security in an age of proliferating threats.

Little Broken Things—Nicole Baart 2020-08-25 “If you liked Big Little Lies, you’ll want to crack open [Little Broken Things].” —Southern Living An unforgettable and moving novel about an affluent suburban family whose carefully constructed façade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn’t think much of it. They haven’t seen each other in nearly a year and their relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora’s “something” is more shocking than Quinn could have ever imagined: a little girl, cowering and wide-eyed. Nora hands her over to Quinn with instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. “Steeped in menace...a race-to-the-finish family drama” (People). Little Broken Things explores life and death, family and freedom, and the lengths one woman will go to protect the ones she loves.

Donovan’s Daughter—Lori Wick 2007-03-01 Forced to spend the night at Dr. Alexander Montgomery’s house because of a blizzard, Marceil Donovan, the pretty new schoolteacher, must face the false accusations of Cordelia Duckworth, the wealthy woman who controls the town.

The Ways of Judgment—Oliver O’Donovan 2005 In this probing book Oliver O’Donovan extends the exploration into the correspondence between theology and politics that he began in “The Desire of the Nations.” While that earlier work took as its starting point the biblical proclamation of God’s authority, “The Ways of Judgment” approaches political theology from the political side. Responsive to developments such as the uncertain role of the United Nations after the Cold War and the expansion of the European Union, O’Donovan also draws on the extensive tradition of Christian political thought and a range of contemporary theologians. Rather than supposing, as does some political theology, that the right political orientations are well understood and that theological beliefs should be renegotiated to fit them, O’Donovan considers contemporary social and political realities to be impenetrably obscure and elusive. Finding the gospel proclamation luminous by contrast, O’Donovan sheds light from the Christian faith upon the intricate challenge of seeking the good in late-modern Western society. Pursuing his analysis in three movements, O’Donovan first considers the paradigmatic political act, the act of judgment, and then takes up the question of forming political institutions through representation. Finally, he tackles the opposition between political institutions and the church, provocatively investigating how Christians can be the community instructed by Jesus to “judge not.”

Filthy Little Prettyties—Trilina Pucci 2020-06-22 “If Gossip Girl and Cruel Intentions had a baby, this book would be it!” Grey McCallister is a brooding hero that plays a heliugu villain when he so chooses. Liam Brooks is a charmer with puppy dog eyes you can’t say “no” to. They’re the kind of guys that make time stand still when they walk by. And when their childhood best friend, Donovan Kennedy, comes back to New York, friendships get tested. Choices are made they can’t take back. And one boy gets a taste of what it’s like to want someone so bad that you’d burn down the city to have her. “Trilina delivers an addictive high school romance high on angst and drama and a book that is total sexy perfection. Prepare to be twisted into delicious knots! I loved it!”—Siobhan Davis, USA Today Bestselling author Donovan Kennedy is the girl dreams are made of. Five years ago, she was our best friend. Our moral compass. The girl that held our hands everywhere we went. We were young. Innocent. Nothing could touch us — not even heartache. That was then. Now she’s back. All grown up. With red lips and long legs — a challenge waiting to be accepted. A prize that’ll turn our world upside down. Brothers turned to enemies. Friendships decimated. Lies told. Hearts torn apart. Prep school’s never been so scandalous. USA Today Bestselling author, Trilina Pucci, brings you an addictive, sexy friends-to-lovers high school romance packed with off-the-chart chemistry, competition, and raw emotional angst.
